In the design and construction of this sloop, two main principles have been succesfully combined: for it's spaciousness and comfortability as well as seaworthiness it is an ideal family boat and it's suitability for racing is proved by several good performances during past summers.

The planking is of selected African mahogany with keel, stems, floor timbers and frames of oak. The deck is of Bangkok teak and the cabin interior of mahogany. Selfbailing cockpit of fiberglass-plastic. Rudder of mahogany. Pantry with sink, fresh-and seawater pumps. Freshwater tank of 60 l. WC with wash basin. Oil tray below the motor. Complete lighting. Pulpit and stanchions of stainless steel. Mast and boom of Spruce. Standing rigging of stainless wire. Mattresses and cushions of foam covered with first class furniture fabric.

Terylene sails from Messrs. Ratsay & Laphorn, Cowes, England.

### Accessories:

Lightmetal mast — sprayhood — awing — anchor — anchorline — moorings — fenders — lifebuoys with lighting — compass — glass — china and eating implements for 6 persons.
